

Directions to Trails and Parks in and Around Westmoreland County

(The Book: [Natural Areas in and Around Westmoreland County](#))

has a listing of approximately 119 areas with a complete description with photos and maps)

| Name | Directions | Parking | Comment |
|--|---|---|---|
| Acme Reservoir (Chestnut Ridge County Park) | From Mt. Pleasant, PA, follow Route 31 east to Acme. Immediately past the Acme Community Center, turn right onto Acme Dam Road. Drive about one mile to the park entrance on your left | There are four parking lots on the west side of the lake with a porta-john at the first and last lot (each end of the walking trail.) | Trails/Length/Difficulty other comments. |
| Adams Falls Trail | From Ligonier, PA, follow route 30 east two miles and turn right onto Route 381. Drive another 2 miles into Rector and turn left onto Linn Run Road. Follow Linn Run Road uphill past the Valley School of Ligonier and turn left past the park sign into the park. | A large parking lot exists right at the park entrance. The trail entrance is across the bridge and 30 yards up the hill on your right. | |
| Allegheny Front – Hawk Watch | 581 Lambert Mountain Road, Central City, PA https://www.alleghenyplateauaudubon.org/s/Directions-to-the-Allegheny-Front-Hawk-Watch.pdf Directions at bottom of page | Limited Parking inside gate. | View is spectacular. Migrating Hawks can fly in front of you. Check the website for date and time the Hawk watch is open. https://www.alleghenyplateauaudubon.org/allegheny-front-hawk-watch |
| Barking Slopes Biological Diversity | Take Route 66 north from Greensburg to Route 366 and turn left. Follow Rt. 366 to the edge of New Kensington. Turn left onto Logans Ferry Road and follow it a short distance to a V-intersection where Rte. 909 (Cox Comb Hill Rd) and Barking Road splits. Barking Road goes to the right and leads to a trailhead that follows the base of the ridge. | Rte 909 will take you to an Allegheny Land Trust parking lot (ALT) and trailhead on your right. If you reach the Oakmont golf course, you have gone too far. The two trails do not connect. | Next to the Oakmont East Golf Course along the Allegheny River Trails and view of Cheswick. |

| Name | Directions | Parking | Comment |
|--|--|--|--|
| Beam Rocks Trail | From Ligonier, follow Route 30 for two miles and turn left onto Route 381. Follow 381 for two miles into Rector and turn left onto Linn Run Road. Follow Linn Run Road to the top of the mountain and turn left onto Summit Road. Note your odometer. At 1.2 miles you will pass the Pitt Astronomical Observatory on your right. The Beams Rocks Trail parking lot is another .2 miles on the right | It is spread out with parking areas between trees. | |
| Bear Run Nature Reserve | From the Pennsylvania Turnpike Exit in Donegal, head south on Route 381. About three miles south of Mill Run coming down a curved hill, turn left into the Bear Run Reserve parking lot. | Bear Run Reserve parking lot. | 20 miles of Trails |
| Beechwood Farms Nature Reserve (Audubon Society of Western PA) | 614 Dorseyville Rd, Fox Chapel Borough, Allegheny County, Pittsburgh 15238 Take Route 28 to Route 8 North/Butler. At the first traffic light, turn right onto Kittanning Road. Continue up Kittanning Road for 4.5 miles - it will become Dorseyville Road without any notification. Beechwood will be on your right. | Parking lot at site | 5 miles of trails, ASWP Store |
| Blacklick Valley Natural Area | Drive east on Route 22 from New Alexandria for 24 miles past the intersection of Route 403. Once beyond 403, in about a mile, look for a left turn lane for McFeaters Road. Turn left on McFeaters Road. | Drive straight to the parking lot on the end, about 1.25 miles on McFeater Roda. | Wetlands, riparian, deciduous and coniferous forests, meadows |
| Blair Brothers Railroad Grade – Jones Mills to Hunter Lane | From the PA Turnpike Exit in Donegal, drive east on Route 31 into Jones Mills (about 3 miles). Turn left in Jones Mills onto Route 381. The first parking lot is about 100 yards on the left marking the southern terminus of the railroad trail. Continue another mile on Route 381 to Hunter Lane. Turn left, go down the hill | On Hunter Lane (see directions) | This is a level easy walking trail paralleling Route 381 and Indian Creek that is both bird and botanically rich. It follows the former railroad grade through wetlands. |

| Name | Directions | Parking | Comment |
|-----------------------------------|--|--|--|
| | to the bottom and find several small parking lots on your left. The trail begins on the other side of the bridge on the left side of Hunter Lane. | | |
| Boyce Park | On Route 22, about 1.5 miles east of the 22/76 TO interchange, turn north onto Route 286 (Golden Mile Highway) and drive for 1.3 miles to Old Frankstown Road. Turn left onto Frankstown Road and drive into the park in 1.3 miles, or veer right onto Pierson Run Road from Old Frankstown and drive in to the central part of the park. | Parking is ready available | Developed Park with many walking trails, flowers |
| Braddock Trail Park | North Huntingdon Township about a mile from the Youghiogheny River. Directions: From the Greensburg Walmart, travel west of Route 30 about 7.5 miles to the signal at Hamilton Buick on top of Jacktown Hill. Turn left at the light onto Robbins Station Road. Go up the hill, keeping left past the Circleville U.M. Church. At the first "Y" bear left. Proceed to the "T", turn right and continue on a winding road keeping to the left at the next "Y" and proceed to the dirt parking lot at the end of the road, about 2.5 miles from Hamilton Buick. | Dirt Parking Lot at the end of the road. | The majority of the park is a mature forest with magnificent stands of American beech and some great specimens of white oaks. There is a small run with a thirty-foot waterfall that can be spectacular after a good rain. This waterfall is located just down the hill from the parking lot. The Park is fantastic for spring wildflowers. |
| Bridgeport Dam County Park | Bridgeport, Westmoreland County, outside of Mt. Pleasant From North (New Stanton) and South (Connellsville): Follow Route 119 to Route 31 East. Proceed through Mt Pleasant, cross the tracks and as you begin to climb the hill, turn right onto Bridgeport Street. Proceed for 1.3 miles to a four way stop sign. Turn left onto | Parking lots are available. | Bridgeport Dam is a multi-purpose flood control dam on Jacobs Creek, a continuation of the Mount Joy Wetlands and the Jacobs Creek Wetlands and Environmental Education Area, where Jacobs Creek and Brush Run converge. Trees, Wildflowers, grasses, Birds and waterfowl |

| Name | Directions | Parking | Comment |
|---|--|---|---|
| | <p>Water Street. The Park entrance is straight ahead on the right-hand side.</p> <p>From the East (Ligonier) and West:</p> <p>Take Route 31 toward Mt. Pleasant. As you approach the outskirts of Mt. Pleasant from the East coming down the hill, turn left onto Bridgeport Street (turn right from the West after proceeding through the town and crossing the tracks) and proceed 1.3 miles to a four way stop sign. Turn left onto Water Street. The Park entrance is straight ahead on the right-hand side.</p> | | |
| <p>Buffalo Creek Nature Park</p> | <p>154 Monroe Road, Sarver, PA. From Route 28, take PA-356 North for 0.9 miles. Turn right onto Monroe Road and follow for 0.8 miles. The road will wind around as you make your way down a hill. BCNP will be on your left at the bottom of the hill.</p> | <p>At the Nature Center</p> | |
| <p>Bushy Run Battlefield State Historic Park</p> | <p>Bushy Run Battlefield State Historic Park is located approximately five miles west of the Harrison City exit off of the PA 66 bypass and is situated along PA Route 993. It is also two miles east of the intersection of PA 993 and PA 130 in Harrison City.</p> <p>Directions: From Greensburg, take Route 66 north to the 993 intersections. Turn left onto 993 and drive until you come to the park. From Delmont drive south from the Rt. 22/66 intersection on old 66 (not the toll road) to Rt. 993. Turn right and drive to the park.</p> | <p>Parking is available on both sides of Rt 993</p> | <p>1763 Pontiac War Battlefield; Mature mix hardwoods; Good birding, wildflowers and hiking trails.</p> |
| <p>Buttermilk Falls Natural Area</p> | <p>Heading east on Route 22 from Blairsville, turn right at Clyde onto Clay Pike Road. Follow Clay Pike two miles to Valley Brook Road on your left. Valley Brook Road dead ends at the park. From Ligonier, follow 711 north to New</p> | <p>Valley Brook Road dead-ends at the parking lot</p> | |

| Name | Directions | Parking | Comment |
|------------------------|--|--|--|
| | <p>Florence. Continue straight ahead through the main drag in New Florence under the railroad and across the Conemaugh River. Go one half mile after crossing the river and turn right onto Clay Pike Road. Follow Clay Pike Road about three miles to Valley Brook Road and turn right. Valley Brook Road dead-ends at the parking lot</p> | | |
| Creekside Trail | <p>From Rt. 30 at the Latrobe airport take Rt. 981 north into Latrobe to Jefferson St. (2 miles). After crossing the bridge over the Loyalhanna Creek, get into the right lane and turn right at the first light onto Jefferson Street. Go to the second stop sign and turn right onto Chestnut Street. Bear right onto Memorial Drive, see the map (1), drive past the stadium (2) and turn right at the first stop sign. This takes you into Legion Keener Park (52 acres). You'll see two picnic pavilions as you drive in. Park in the lot in front of them and walk westward past the pavilions through a grove of big trees toward the far corner of the park where you'll see a double telephone pole (3) marking the railroad trestle. Walk to it up the bank, cross the track and you'll see the trailhead to your left</p> | <p>Park in the lot in front of the two Pavilions (see directions)</p> | |
| Camp Run Trail | <p>Between Ligonier and Jones Mills on Rt. 381 about 1.8 miles north of Jones Mills. Directions: From the PA Turnpike, drive east on Route 31 three miles and turn left onto Route 381N. Drive 1.8 miles to a sharp bend in the road and a bridge. Turn right before crossing the bridge and bear left onto Auckerman Road. Drive up Auckerman Road (4-wheel drive recommended) .8 miles to a small loop parking lot which is the trailhead. If the road is muddy</p> | <p>At the last parking lot, you'll see a gated road. Walk down that road, but keep to your left at the first intersection. The trail coming in from the right leads to private property.</p> | <p>3.3 miles of trails; Deciduous trees, wildflowers</p> |
