I am a new member I am renewing my membership

I am renewing my membership & my mailing address has changed

Enclosed is my payment for membership in the Westmoreland Bird & Nature Club.

All Membership Dues are due in January, unless you joined after September 1st. We will catch the new members next year. It has been many years since we have increased the club dues. This year after talking through the plans for the club, we recognized that we must increase the dues to cover our plans. This increase will support our strategic plans through updates to the website, such as online applications, online dues collection, website modernizing, insurance, increased cost for newsletter mailings, use of club management software, speaker's fees for additional meetings, meeting rental fees, Zoom meeting license, video projector for in-person meetings, continuing donations to nature related non-profit organizations and many more items. -----

Please indicate how you would like to receive the Syrinx Newsletter:

Email [] or Hardcopy []

Please Note: Email is more timely & nearly free.

Hardcopy costs approximately \$2.00 - \$2.75 + our labor and kills trees.
